

VIDEO

There are multiple ways to access, view and share Susan's speaking video. Whether you link directly to her Vimeo page, embed the video directly on your site, download the video and upload to a video sharing service of your choice, or share it in some other way, we are good with whatever works best for you and your clients.

This bureau-friendly video is all new for 2019. Please be sure you are using this video, and cease using any videos from prior to January 1, 2019
